This limited license to use USATF Designated Marks shall not in any way create any ownership rights in LOC to USATF Designated Marks nor shall it give LOC the right to sublicense, assign or delegate USATF Designated Marks to any third party, including, but not limited to Local Sponsors or donors. Any use of USATF Designated Marks by LOC

or its sublicensees, must comply fully with all applicable Federal Trade Commission regulations and the regulations of any similar state agencies. If the date of USATF's notice of breach is within one hundred twenty (120) days of the published date of the Championships, then LOC shall have only five (5) days to cure its breach, prior to USATF's ability to exercise its right of termination. USATF will not have any obligation to LOC, upon termination of this Agreement hereunder, or elsewhere under this Agreement. Upon the expiration or termination of this Agreement for any reason, LOC shall cease all use of USATF Trademarks granted to LOC under this Agreement, and its rights to use same shall terminate. LOC shall immediately (a) cease distribution of all advertising and other materials bearing any USATF Trademarks, and (b) destroy or deliver to USATF all advertising and other materials bearing USATF Trademarks that are still in the possession of LOC or under LOC's control; provided that LOC may retain a limited number of advertising and promotional materials solely for its own archival purposes.

(a) This Agreement shall be governed, construed, and interpreted in accordance with the laws of the State of Indiana (excluding its conflicts of law rules), the Federal Trade Mark Act of 1946, as amended, and the Ted Stevens Olympic and Amateur Sports Act of 1998.

(b) Headings and captions are supplied for convenience of reference only and shall have no weight or value in connection with the construction of this Agreement, nor shall any weight or value be given to the relative position of any provisions hereof in determining such construction. The singular shall include the plural, the plural shall include the singular, and any genders all other genders.

(c) In the event of a conflict between the terms of this Agreement and the terms of the Bid, Statement of Agreement, or any other document dated prior to the date of this Agreement, the terms of this Agreement shall control and be final and binding on all parties.

(d) Nothing contained herein shall be construed to place the Parties in a relationship of partners, joint ventures, or principal and agent, and neither Party shall have the power to obligate or bind the other Party in any manner whatsoever, except as expressly stated herein. The Parties further agree that no representations shall be made by either Party that would create an apparent employment, partnership, or joint venture.

(e) The waiver by either Party of a breach of any of the provisions of the Agreement shall not operate or be construed as a waiver of any subsequent breach. Furthermore, no evidence of any waiver, modification, amendment or cancellation shall be offered or received in evidence in any proceeding, arbitration, or litigation between the Parties arising out of or affecting the Agreement, or the rights or obligations of any Party hereunder, unless such waiver, modification, amendment or cancellation is in writing, duly executed as aforesaid. The provisions of this section may not be waived except as herein set forth.

(f) Each and every section, term, and/or provision of this Agreement shall be considered severable and if for any reason any section, term, or provision hereof is determined by a court of competent jurisdiction to be invalid, contrary to, or in conflict with, any existing or future law, the invalidity shall not impair the operation or the effect of the remaining sections, terms, or provisions of this Agreement, and the latter will continue to be given full force and effect.

(g) Except as provided above in this Agreement, this Agreement (specifically including all appendices attached hereto or referenced herein and thus incorporated herein) is the entire agreement between LOC and USATF with respect to the Championships and supersedes all other agreements and understandings, both written and oral, with respect to the subject matter hereof.

Only one counterpart signed by the Party, against which enforceability is sought, needs to be produced to evidence the existence of the Agreement.

(m) LOC acknowledges that USATF Trademarks possess special, unique and extraordinary characteristics that make difficult the assessment of monetary damages that would be sustained as a result of LOC's unauthorized use or misappropriation thereof. LOC recognizes that irreparable injury could be suffered by USATF in the event of the LOC's unauthorized use or misappropriation of USATF Trademarks, and therefore agrees that, notwithstanding any other sections in this Agreement, USATF may seek from any court of competent jurisdiction, injunctive and other equitable relief as appropriate. If USATF seeks any equitable remedies (including injunctive relief), it shall not be precluded or prevented from seeking remedies at law, nor shall either Party be deemed to have made an election of remedies. LOC hereby irrevocably submits to the venue and jurisdiction of the courts of the State of Indiana, and the courts of the United States of America located in Indiana with respect to any equitable relief that is sought under this Agreement by USATF.

Dear LOC:

This letter sets forth the agreement between _____("LOC") and USA Track & Field, Inc. ("USATF") regarding ownership of rights in the graphic design component of the _____ (the "Logo"), [insert image of Logo here] that LOC designed for use by USATF in connection with the ____ USATF _____ Championships ("Event") and that contains the USATF trademark(s) _____.

1) LOC acknowledges that LOC's ability to sell apparel and merchandise items which contain the Logo at the Event is good and valuable consideration for LOC's services in designing the Logo, that such consideration is sufficient for the conveyance of rights contained in this letter agreement, and that USATF owes you no additional fees or consideration for the Logo.

2) LOC grants, assigns, transfers, and delivers to USATF all right, title, and interest in and to the graphic design component of the Logo, including, without limitation, all copyrights therein; the exclusive worldwide right to register copyright and any extensions or renewals of such copyrights; all originals and copies of the Logo; and all rights to reproduce the Logo, to prepare derivative works based on the Logo, to distribute copies or reproductions of the Logo, and to display the Logo publicly, all in all media now known or hereinafter invented.

3) LOC represents and warrants to USATF that: (a) LOC is the sole and exclusive owner of the graphic design component of the Logo and all copyrights therein; and has the legal right, power and authority to assign such copyrights to USATF free and clear of any and all liens, encumbrances, claims, security interests, licenses or other similar arrangement affecting title or copyright in the graphic design component of the Logo as of the date of this Letter; (b) the graphic design component of the Logo is an original work of authorship created solely by LOC, and that no graphic design created by any other party is included in the Logo; (c) the graphic design component of the Logo does not infringe, violate, or misappropriate the intellectual property of any third party; (d) LOC will not create any derivatives, copies or reproductions of the Logo except with the express prior written consent of USATF; (e) LOC does not reserve any rights, title or interest of any kind in the graphic design component of the Logo and will not in the future assert any right, title or interest in such component.

4) At USATF's request, LOC shall execute all papers, furnish such documents, materials, information and/or assistance, and do all other acts necessary to perfect the assignment of copyright in the graphic design component of the Logo to USATF, provided that USATF reimburses LOC for its reasonable, documented out-of-pocket expenses therefor.

5) At USATF's request, LOC shall cooperate fully with USATF in responding to, defending, or settling any threatened or pending claim or action arising from allegations that the graphic design component of the Logo violates any law or third-party right.

USATF trusts this letter accurately states our mutual understanding. If you have questions about any aspect of it, please let me know promptly; otherwise I would appreciate your confirming our understanding by signing and returning a copy of this letter to me.
