YOUTH ATHLETICS**

**RULE 300  
GENERAL RULES**

1. (a) Articles I (Section 1) and Articles II-V of the Rules of Competition of USATF and Classifications shall apply to Youth Athletics competition, except to the extent that such rules are in conflict with this Article VI, Section I. If there is a conflict, Article VI Section I shall supersede any other provisions of the USATF Rules. All athletes must be members of USATF to participate in the Association Championship. If the Association starts with preliminary meets, athletes must be USATF members at the preliminary round of competition.
- (b) The program is divided into five divisions for boys and five divisions for girls. The athlete's year of birth shall determine the division in which the athlete shall compete. With each succeeding year each division shall be adjusted as shown in the table below:

Bantam Division	1998+	1999+	2000+
Midget Division	1996-1997	1997-1998	1998-1999
Youth Division	1994-1995	1995-1996	1996-1997
Intermediate Div.	1992-1993	1993-1994	1994-1995

- (c) Athletes who are still eighteen (18) years of age through the final day of the National Junior Olympic Track and Field Championships shall be eligible to compete in the Young Men's and Young Women's division through that meet. This extended eligibility does not apply to cross country events.
- (d) Competitors must compete in their own divisions only. No athlete may compete in younger or older divisions in individual, relay, or team events.
- (e) In track and field, a competitor in the Bantam or Midget divisions may enter a maximum of three events. Competitors in the Youth, Intermediate, or Young Men's/Young Women's divisions may enter a maximum of four events. These limitations include relays, but not combined events or road races. - (f) Participation in Youth Athletics Championships and Junior Olympic programs shall be restricted to United States citizens, aliens living in the United States, and foreign exchange students.
- (g) An athlete participating in Youth Athletics/Junior Olympics activities who is a temporary resident, such as summer vacation, of one Association and a permanent resident of another Association, may apply for the purpose of individual competition to the Association of temporary residence. With the approval of both Associations, the athlete shall be able to participate in the Youth Athletics/Junior Olympics activities in the Association of temporary residence only as an unattached athlete. The "Association of Permanent Residency," for the purpose of permanent residency, is the residency of the athlete's custodial parents/ legal guardian at the time of entry deadline. Proof of residency can be provided by Tax Statements, or utility bills at the place of residency. Athletes that live with one custodial parent/legal guardian in the summer and another custodial parent/legal guardian during the school year, may be considered dual permanent residents of both Associations. These athletes may only have one membership number under one Association and have all rights and privileges of that Association. Proof of legal guardianship may be requested for proof of residency. It shall be the sole responsibility of the applying athlete to secure and furnish all necessary documentation to substantiate any request for consideration of a waiver of this rule. Athletes who have not established permanent residency as described herein may compete as "Temporary Residents." Temporary status athletes may not participate on club relay teams, wear club uniforms nor be listed as representing a member club. Historical affiliation shall have no bearing on club status. (For information about representation, see USATF Operating Regulation 7. For information about clubs, see USATF Operating Regulation 8.)
- (h) Proof of date of birth may be required at Association level competition, but shall be required at all Youth Athletics competition above the Association level. The form of proof shall be a copy of a birth certificate, passport, certified baptismal record, driver's license, or United States government identification. Where the issuing Association has validated the athlete's competition entry form or membership card with "Proof of Age Verified," or other wording to that effect, the validated entry form or membership card becomes acceptable proof of age. Letters from school or recreation offices shall not be considered as proof.

**NOTE:** *Entries to Regional and National competitions shall be accompanied by proof of age.*

- (i) Penalties may be considered by Associations and by the National Athletics Board of Review for participation by an athlete in an improper age division. These penalties may be applied to athletes, coaches, and clubs involved.

## RULE 302 REGULATIONS AND SPECIFICATIONS

### 1. General

No athlete may be advanced in the competition without having successfully qualified through required qualification rounds.

### 2. Track Events

- (a) In one-day meets at the Association level, all events equal to or longer in distance than 200 meters may be run as timed finals.

- (b) The Games Committee may elect, in events of 800 meters and longer, and all relays, to use a qualification method based upon place and time in order to eliminate qualification rounds beyond one.
- (c) In Association and regional meets where all rounds are held on one day, and the competitors in the 100, 200, or hurdles advance directly to a final, the final may be run at the time of the scheduled preliminary.
- (d) No penalty shall be imposed for the first false start, but the Starter shall disqualify the offender or offenders on the second false start. False starts are called on individuals, not on the field.

**NOTE:** *In practice, when one or more competitors makes a false start, others are inclined to follow and, strictly speaking, any competitor who does so has also made a false start. The Starter should charge only the competitor or competitors who, in the Starter's opinion, were responsible for the false start. This may result in more than one competitor being charged with a false start. If the unfair start is not due to any competitor, no competitor shall be charged.*

- (e) Starting blocks: Athletes in the Intermediate and Young Men/ Women divisions shall, in accordance with Rules 161, be required to use starting blocks and a crouch position for all events up to and including the 400 Meter Runs and the first leg of all relays where that leg does not exceed 400 meters. For athletes in the Bantam, Midget, and Youth divisions, the general rules regarding the use of starting blocks and stance are waived; the use of starting blocks and stance is within the discretion of the competitor.
- (f) In sprint relays, the outgoing runners may place a suitable material as determined by meet management on the track. If other than adhesive tape, then it must be made clear in the meet information (passport) and meet management must supply the suitable material to be used to all teams.
- (g) The "honest participation" rule provided in Rule 142.3 and .4 shall not be applicable to Youth Athletics.
- (h) Whenever possible, and especially at Regional and National meets, lane staggers with one competitor per lane shall be used as follows:
 

800m Run, 4x800m Relay	One-turn stagger
4x400m Relay	Three-turn stagger

### 3. Relays

- (a) The procedure for entering a relay is given in the Youth Guide. Failure to comply with the procedure may result in disqualification.
- (b) A Relay team shall consist of four (4) members.

- (c) Participation of relay teams shall be limited to those clubs that hold a valid club membership in USATF.
- (d) All participants shall wear a top of the same color. At Regional and National Championships, all participants shall wear a top of a same color as well as shorts of a same color. The Games Committee shall assign an individual to review colors of team uniforms in the clerking area.
- (e) An athlete may drop an individual event to compete on a relay as long as the athlete has not competed in any round of that event. A 'no show' does not constitute a drop in that event. A change form must be submitted at registration 1½ hours prior to the scheduled start of the event being dropped.

### **Youth Athletics Nationals**

- (f) Any athlete listed in the USATF membership database with the club in the same division/sex is eligible for that relay team.

### **Junior Olympics**

- (g) To enter a relay in the Junior Olympics a relay roster is required.
- (h) The procedure for submitting a relay roster is given in the Youth Guide. The relay roster must be submitted by the entry deadline of the meet, whether the Association championship or preliminary meet, as specified in the entry material but not later than the first (1st) round of competition.
- (i) Any athlete listed on the club's relay roster in the same age division/sex is eligible for that relay team.
- (j) All competitors listed on the official roster are eligible to compete if they are entered in the meet in individual events or other relays. If an individual is not entered in the meet by either of the above methods stated above, that individual must complete and submit an entry form placing the word "roster" in the event section. An additional cost equal to the cost of a single event entry may be charged for each member entering by this method.

- (b) The horizontal jumps and throws may be contested using flights. Flights will be composed on the basis of the submitted qualifying marks and shall be arranged with the highest qualifying flight competing last.
- (c) At meets other than Association, Regional and National Championships the Games Committee may use a four-attempt rule in lieu of three preliminary and three final attempts for finalists in the horizontal jumps and throws. Use of the four-attempt option must be stated prior to the beginning of the competition.
- (d) In the Long Jump, more than one take-off board may be used between 1m and 4.5m behind the landing area. In the triple jump, more than one take-off board may be used between 7 and 13m from the landing area. (Suggestions: Intermediate Boys/Young Men at 10m; Intermediate Girls/Young Women at 8m; Youth Boys/ Youth Girls at 7m). The take-off board may consist of material other than wood. More than one take-off board may be used with an indicator (such as orange cones) placed at both sides of the take-off board. Each jumper must declare prior to each jump which board he/she will use.
- (e) In the Shot Put, Discus, and Hammer a 34.92 degree sector shall be used. See Rule 187.22.
- (f) In throwing events, the use of tape on finger(s) and/or hand, unless used to cover an open wound, is strictly prohibited. No device may be used for the purpose of joining fingers together. As a support, tape may be used on the wrist only.
- (g) The number of spikes and/or cleats on shoes for the javelin shall not be limited where the runway has a natural or AstroTurf-type surface.

- (h) Privately owned javelins shall be exempt from the loss-of-identity rule (Rule 187.10).
- (i) In the Javelin Throw, the measurement of the throw shall be made from the nearest edge of the first point of contact made by the javelin in the sector to the inside circumference of the arc or foul line, measured along a line from the contact point of the tip, tail, or grip to the center of the circle of which the arc is a part.
- (j) In order to stage a Youth Athletics hammer or discus competition a protective cage is required (see Rule 190). If there is no cage or the cage is in such condition that it is not considered safe by the appropriate referee or his designee, then the events shall not be held.
- (k) In the High Jump and Pole Vault an athlete may be assisted in establishing the location of marks prior to the start of competition. Rule 181.3 will apply, except that no more than three marks may be used, and such marks cannot exceed 3 inches in length.
- (l) In the Pole Vault, movement of the uprights (Rule 183.1(a)) shall be limited to the area between 40cm and 80cm from the stopboard in the direction of the landing surface.
- (m) The practice of “tapping” (physically assisting) vaulters during their warm-ups is prohibited.
- (n) A competitor shall not use a training pole, a pole which is improperly marked or a pole rated below his/her weight during warm-up or competition. Prior to warm-up, the Inspector of Implements shall inspect each pole to be used in competition to verify that the poles are legal equipment. The competitor’s weight shall be at or below the manufacturer’s pole rating. It is the responsibility of the coach or parent to verify the competitor will use a legal pole rated at or above his/her weight.  
**NOTE:** *The manufacturers shall include on each pole a pole rating that shall be a minimum of  $\frac{3}{4}$  inch in a contrasting color located within or above the top hand-hold position with the position being determined by the manufacturer.*
- (o) In the National Youth Athletics Championships, the starting height in the High Jump and Pole Vault shall be 10cm and 30cm, respectively, below the prescribed standard. In the National Junior Olympic Championships, the starting heights shall be two (2) increments below the national standard as determined by the Youth Athletics Committee. Incremental increases shall be 5cm in the High Jump and 15cm in the Pole Vault.
- (p) When a High Jump or Pole Vault competitor is excused to participate in a running event, a reasonable time limit shall be established by the Games Committee or delegated to the affected Field Event Judge. No

time limit shall be imposed on competitors excused from throwing or horizontal jumping events, except that the competitor must return before the conclusion of all other preliminary attempts if excused during the preliminaries, or before the conclusion of all other final attempts if excused during the finals. Failure to return within the allocated period shall result in forfeiture of missed attempts. In both the preliminaries and the finals, the head event judge may allow attempts to be taken in succession before a competitor is excused, and make-up attempts may be taken in succession and out of order upon legally returning to the event. In the High Jump and Pole Vault, if the competitor has failed to return in the allotted time, and all other remaining competitors have passed, failed or cleared the existing height, the crossbar shall be raised to the next height and the judge will automatically pass the excused competitor to the new height.

- (q) In the High Jump and Pole Vault, a competitor who has passed three consecutive heights after the competition has begun may be permitted a warm-up jump without the crossbar in place. One such jump may be taken for each three passed heights and shall be taken as earned, not cumulatively.
- (r) At the National Junior Olympic Championship, when the field of pole vault competitors is reduced to 50% of the original number of vaulters, a 20 minute warm up period may be allowed for all remaining competitors who have not yet entered the competition. No cross bar will be allowed during the warm up period. After the 20 minute period, any athlete who has passed three consecutive increments will be allowed one run through, without the bar, at the height at which they enter the competition.

- (b) Boys hurdle races shorter than 110 meters are scored from the men's 110 Meter Hurdles tables. Girls hurdle races shorter than 100 meters are scored from the women's 100 Meter Hurdles tables. Times for the Midget Boys' 80 Meter Hurdles shall be multiplied by 1.13 prior to entering the tables; for the Midget Girls' 80 Meter Hurdles, multiply by 1.07.
- (c) It is suggested that even-numbered lanes be used for hurdle events.
- (d) The increments for the Pole Vault will be 15cm and the High Jump 5cm.
- (e) The heptathlon must be contested over two days.
- (f) If groups are drawn in accordance with Rule 200.5, these groupings shall continue throughout the competition unless the Referee shall believe it desirable to rearrange any group or groups.

- (g) In the 800 meter run, the maximum number per heat shall be 12. When the number of competitors exceeds the number of lanes, the excess competitors shall share the even-numbers lanes starting from lane 8 working into lane 2. In the 1500 meters, the maximum number per heat shall be 18.

**RULE 303**  
**REGULATIONS FOR LANES AND HEATS**

1. The method of advancement in all meets shall be published prior to the start of the meet. Any changes to the printed method shall be announced prior to the competition. Heats shall be formed according to the following regulations:
  - (a) The declared contestants will be assigned to preliminary heats in the order in which their names are listed on the performance list, working from left to right and then right to left. The only exception is when this procedure would cause unequal distribution of members from the same club. In this event, the slower athlete should be moved to another heat, interchanged with a competitor with the nearest comparable time as listed in that heat.
  - (b) In events run entirely or partially in lanes, only one participant shall occupy a lane, except as provided in (c), below.
  - (c) The 800 Meters and the 4x800 Meter relay shall be run with a one-turn stagger. The maximum number per heat shall be 12. Unless otherwise provided by the Games Committee, whenever the number of entries or scratches reduces the number of actual participants in any heat or round of heats so as to eliminate the element of competition or creates a situation whereby the number of heats can be reduced, the Referee or designee shall redraw in the best interest of the competition.
  3. In the event that under paragraph 1(h), for those qualifying for succeeding rounds by method of best times, a tie causes more qualifiers than available lanes, the Referee shall determine if a run-off among those affected shall be conducted. If no run-off is conducted, those affected are eliminated.
  4. In the National Youth Athletics Championships, events of 100 meters to 800 meters inclusive, and relays up to and including the 4 x 400 meters, the fastest eight times from the preliminary round shall advance to the finals.

A team shall be composed of from five to a maximum of eight members. Team scoring shall be by place, in accordance with Rule 7.

5. **Uniform**

See Rule 253.

6. **Competition Numbers**

Competition numbers shall be worn chest-high in front.

**RULE 305**  
**JUNIOR OLYMPICS PROGRAM**

1. **General**

(a) The Youth Athletics Committee shall conduct the Junior Olympics athletics program of USATF. Junior Olympic meets shall be solely sanctioned and conducted under the aegis of USATF and its procedures. There shall be no dual sanctioning of Junior Olympic meets of USATF.

- (b) All of the competitions shall be conducted exclusively under the auspices of USATF. ("Exclusive USATF auspices" means that direction, publicity, promotion, rules, and awards must be entirely USATF.)
- (c) There will be competition for boys and girls in preliminary meets and in Association, Regional and National Championships in age divisions by year of birth. Events and age divisions are the same as for the regular USATF Youth Athletics National Championships program. The hammer throw is an optional event in the Association Junior Olympics until January 1, 2010, when it becomes an official event.
- (d) An Association is allocated, by agreement with other Associations in its Region, a certain number of athletes and relay teams from the Association level to the Regional level through the Association Championships.
- (e) The Youth Athletics Executive Committee may advance any athlete into the National Junior Olympics meet because of extraordinary circumstances. The request must be made through the Regional Coordinator in writing, who must submit it to the Youth Athletics Chairperson.
- (f) With the approval of the Association, athletes who miss their Association Championships because of extraordinary circumstances may be advanced to the Regional meet so long as such advancement does not displace an athlete who competed in the Association meet and does not exceed the Association's allocation to the Regional meet.

## **2. Track and field qualifying procedures**

- (a) An athlete can miss the Association Championship but not the Regional Championship, because of participation in a USATF cultural exchange trip. These exceptions must be worked out with the athlete's Regional coordinator before the meet takes place.
- (b) Athletes who compete in the Junior National Championships or World Youth Championships may be entered in the National Junior Olympic meet without having to compete in the Association or Regional meet provided that they meet the Youth Athletics age limits. Acquisition of the waiver and completion of the entry to the National meet must be made prior to the Regional meet via the Regional coordinator.
- (c) Athletes from the Department of Defense Dependent Schools (DODDS) may be entered in the National Junior Olympic Championship without having to compete in a Regional meet, provided that they meet the Youth Athletics age requirements. They must enter through the Association hosting the National Junior Olympic Championship.

- (d) Track and field shall advance three placed individuals and three placed relay teams from each Regional to National. These shall be the top three finishers in each event, or successive event finishers who have achieved a performance standard at the Regional Championship when fewer than three declare in the event from that Region for National. The combined events shall advance the top two placed individuals. A third shall advance only after meeting a performance standard at the Regional Championship. The performance standard for all events is the average of the 8th place in the last three National Junior Olympic Championships. The host Association shall qualify a like number.
- (e) An Association shall be allowed to advance alternate(s) from the Association to the Regional level, subject to the Association's filing deadline for the Regional meet.
- (f) Athletes who tie for third place at the Regional Track and Field meet shall be advanced to the national Junior Olympic Championships.

### 3. **Cross country qualifying procedures**

Where an Association holds preliminary meets, these will serve as qualifiers for its Championships; Association Championships are qualifiers for Regional Championships, and the Regionals are qualifiers for the Nationals.

- (a) It is suggested that 25 individuals and 3 teams advance from preliminary meets to Association meets and a like number of individuals and teams advance from Association meets to Regional meets. These numbers may be adjusted by the Association chair and Regional coordinator respectively for the purpose of accommodating their local situations.
- (b) Teams must represent current USATF member clubs; and athletes representing clubs must be registered members of said clubs prior to participation in their Association Championships.
- (c) All members of the same club listed on the team declaration roster at the Association finals are eligible to compete on the club's team (minimum of 5, maximum of 8) in the next round of Qualifications up to and including the National Championships as long as the team qualifies. In order to declare a team, a club must enter a minimum of 5 and a maximum of 8 athletes by the entry deadline. The composition of the team at each round can change if you submit a change form at the registration at packet pick-up at least 2 hours prior to the race and any athlete changed must be listed on the declaration roster.
- (d) A region, through a unanimous vote of Associations in the region, shall

determine the procedure for qualifying from the Regional to the National Junior Olympics cross country championships. The regions may vote for one, but not both, of the following means of qualifying: (i) qualify the top three (3) teams and the top 20 individuals from the regional meet, or (ii) qualify the top team and the top ten (10) individuals directly from the Association Championship.

- (e) The number of qualifiers from Regional meets is fixed and no alternates may advance. Individuals finishing in the top twenty (20) places and who are also members of the qualifying teams are not displaced so that additional finishers beyond twentieth may not advance. Any team may advance if it has five (5) or more individuals placing in the top twenty (20) in the Regional meet. No team finishing beyond third place may advance based solely upon either or both of the first two teams' choosing not to advance.
  - (f) Athletes who compete in their state high school or collegiate championship series may be advanced into their Regional if their Association meet date is in conflict with their school competition. Conflict means both meets are held within 48 hours of the other. A Team may also be advanced provided that all alternates listed on the declaration Roster were also in conflict with the school competition; therefore, not having a minimum of 5 athletes to participate. This Roster must have been submitted by the Registration Deadline of the Association meet and no additional names can be added. The final decisions on the granting of this waiver will be made by the Regional coordinator.
4. The entry information procedure and awards information can found in the Youth Guide.

## **RULE 306**

### **SPECIAL EVENTS AND PROGRAMS**

#### **1. General**

- (a) The National Youth Athletics Committee may supplement existing programs with any approved event it deems in its best interest.
- (b) The Youth Athletics Committee shall determine the method and/or the number of qualifiers in special events and programs and list that information in a guide designed to serve such event or program.

#### **2. Pilot Programs or Competitions**

- (a) Regional Youth Athletics indoor meets may be held and shall be awarded by those Association delegates represented in each Youth Athletics Region.

- (b) The National Youth Athletics Committee may adopt other pilot programs in Track and Field, Race Walking, Cross Country, or Long Distance Running.

**RULE 332**  
**COMPETITIVE RULES AND STANDARDS FOR**  
**MASTERS TRACK AND FIELD**

**1. General**

- (a) There shall be no Regional Championship restrictions to any Masters competitor involving eligibility to compete.
- (b) Where the number of entrants warrants it, finals may be conducted for multiple ages and/or mixed sexes simultaneously, subject to the following restrictions:
  - i. In events starting in lanes, all competitors in a given age division must start in contiguous lanes.
  - ii. In the throwing events, the groups that are consolidated groups should all use the same implement weight. For example, M60 and M65 may compete simultaneously in the shot put, since both groups use a 5kg shot, but M65 and M70 should not compete simultaneously since M70 uses a 4kg shot.
  - iii. In field events, each consolidated flight should contain no more than 12 competitors.

- (c) Every Championship event, including combined event championships, will use the implement weights, hurdle heights and spacings, and race lengths approved by WMA as of January 1 of the current year. A specification will be considered to have been approved by WMA when it has been published in the most recent IAAF/WMA Handbook approved by the IAAF and WMA Councils. In the case of a new implement, this must include complete specifications. For those events included in combined events, this must also include revised scoring tables. If WMA approves a specification change prior to January 1 with an effective date after January 1, the Masters Committee may adopt the new specification with an effective date of either (1) January 1 prior to the WMA effective date, (2) the same date as the WMA effective date, or (3) the January 1 after to the WMA effective date, and publish such date in these Rules.

## 2. Track

- (a) In order to complete the National Track and Field Championships within the schedule, the Masters Track and Field Committee may adopt and publish a table for advancement to replace that of Rule 166.1(h), as long as the principles for advancement are maintained: advancement is primarily by place; and at least two, and preferably three or more, competitors will advance on place from any heat to the subsequent round.

**NOTE:** *For indoor meets, the minimum number of athletes advanced by place may be reduced.*

- (b) When an individual or relay team, having qualified for a subsequent round, withdraws for any reason, the fastest non-qualifier may be advanced to fill the vacated position. When an individual or team is disqualified, Rule 166.7 applies.

- (c) No penalty shall be imposed for the first false start, but the Starter shall disqualify the offender or offenders on the second false start. False starts are called on individuals, not on the field.

**NOTE:** *In practice, when one or more competitors makes a false start, others are inclined to follow and, strictly speaking, any competitor who does so has also made a false start. The Starter should charge only the competitor or competitors who, in the Starter's opinion, were responsible for the false start. This may result in more than one competitor being charged with a false start. If the unfair start is not due to any competitor, no competitor shall be charged.*

- (d) The general rule regarding the use of starting blocks and stance is waived. The use of blocks and stance is within the discretion of the competitor.
- (e) In events of 1500 meters or longer, timed finals shall be run. In events of 2000 meters or longer, the number of participants per section is limited by

Rule 166.1(c). The total number in the 1500 meters and any race walk should not exceed 24. For seeding of timed finals, see Rule 166.4

- (f) In all hurdle races, competitors shall hurdle with a continuous motion such that both feet shall be off the ground at least for an instant.
- (g) Relay teams are defined as follows:

**Club:** In accordance with Regulation 7, all members must be resident in the Association in which the club is registered (or meet the residency exception of Regulation 7).

**Non-Club:** Any team not meeting the club definition. Non-club relay teams are defined as:

- i. Association: All members must hold current USATF membership in the same Association, or
- ii. Region: All members must hold current USATF membership in the same USATF Masters region, or
- iii. Unrestricted: Any relay team that does not meet one of the three definitions above.

Club and Non-Club relay teams shall be separate divisions. At Association, Regional, and National Track and Field Championships, and all other meets, each relay team must meet one of the definitions above, or be a foreign national team as guest competitors in the Non-Club Division. A team meeting any of the above definitions may set a Masters record. Separate records shall be maintained in the relays for (1) Club teams and (2) Non-Club teams.

- (h) At National Track and Field Championships, the athletes advanced to the final in every event shall consist of at least 2/3rds who are USA affiliated as determined by WMA. If adjustments are needed to meet this requirement, then the reduction in guest finalists shall be determined by performance with no consideration to place. Those USA affiliated athletes that were advanced to the finals by place shall retain their position and the additional USA affiliated athletes that will be added to the final shall be selected by performance with no consideration to place. The number of finalists shall not be increased to include additional non-USA affiliated athlete finalists.
- (i) Combined event scoring will use current WMA scoring procedures, WMA Age Factors and IAAF scoring tables.

**NOTE:** *Age factors for ages 30 to 39 are published in Masters Age-Graded Tables.*

- (j) In all hurdle races, competitors shall hurdle with a continuous motion such that both feet shall be off the ground at least for an instant.
- (k) The Masters Track & Field Committee may approve exceptions to the use of listed specifications if items are unavailable. The tables on the following pages show WMA specifications:

- (c) In the High Jump and Pole Vault, a competitor who has passed three consecutive heights after the competition has begun may be permitted a warm up jump without the crossbar in place. One such jump shall be allowed for each three passed heights and may be taken only as earned, not cumulatively.
- (d) In the High Jump and Pole Vault, Masters competitors are allowed to touch the landing area before clearing the bar, but may not use the landing area to any advantage as determined by the Field Judge.
- (e) Rule 181.7 applies to any competitor who has won an age division, subject to the following. For any heights not announced by the Chief Judge at the

**NOTE:** For example, assume the Chief Judge announces ..., 1.80m, 1.85m, 1.90m,... at the beginning of the competition. If competitor A wins at 1.80m, with B and C in another age group, and requests 1.88m, the bar will first be raised to 1.85m for B and C, then 1.88m for A only, then 1.90m, etc.

Effective 1/1/2011, the Masters Long Distance Running Committee shall conduct and supervise a program for long distance running for all athletes over the age of 35.
2. All long distance running races with masters athletes are encouraged to follow the rules for Masters Long Distance Running Championships whenever possible.
3. A competitor may be asked to provide his/her legal date of birth when he/she registers for a USATF sanctioned competition. In the case that a competitor claims a record or receives prize money for any age-dependent event, he/she may be required to present proof of age. The form of proof unless otherwise specified, shall be a certified copy of a birth certificate or a passport. Once an athlete has declared a birth date for U.S. competition, the athlete may not subsequently change that birth date to gain an advantage in a different age group. In the event that an actual birth date is unascertainable for a foreign competitor, he/she shall contact the embassy in the US of the competitor's country of citizenship or birth and determine the best method for age verification. This method may include issuance of a new passport, certified birth certificate or court order verifying the age of the individual.
