Subj: Looking Back at 2007 and Looking Forward to 2008

Last year was a rebuilding year for USATF Alaska. A lot of events almost did not happen. Thanks to a new crew of dedicated individuals, we were able to keep on running. 2008 and 2009 should see many changes and new events.

At the 2007 Annual Meeting a whole new board was elected. Their contact information and photos can be found on our website. Over the last few months, we have had many meetings to decide upon the direction USATF Alaska will take in the next two years. Meeting agendas and minutes are also posted to the website.

New in 2008:

-The Sports Dome is open! The largest indoor, inflated structure and indoor track (413m) is now open and operational

-Fur Rondy Fastest All Comers Meet, Feb 28th in the Dome

-USATF Alaska is now responsible for the Region IV High School T&F Championships

-The All Comers Series is back, including the Skinny Raven Mile and Cross Country events

Memberships Benefits:

We know the membership rates have gone up, so we are looking at ways for you to benefit from your USATF memberships locally. First up... USATF Alaska Members receive a \$5 discount on entry fees at all events put on by USATF Alaska (All Comers, Fur Rondy Fastest, Skinny Raven Mile, ASAP Mile, etc). Hopefully, we will find more ways for you to benefit from your membership in the near future.

Keep checking the USATF Alaska Website for updates:

We'll see you on the Track!
