USATF ALASKA NEWSLETTER

VOL.1 NO.4

OCTOBER 2011

Annual Meeting

Our annual meeting was October 10, 2011. We elected a new treasurer. Welcome to USATF AK Ben Bachand. We talked about many great things coming up in Alaska for USATF. Check out the minutes in Meeting Archives on our webpage. We are still looking for an Officials Chair for the state of Alaska. If you are interested please contact us.

Keep an eye on our webpage and facebook page for new events we will be offering.

Cross Country Championships

We had our first Cross Country Championships in quite a few years. It was quite successful and next year we will add the 3K distance as well as the 5K distance. The 2012 events calendar will be coming out soon. Keep checking our website and facebook for updates.

New Association Championships

Next year we will be adding the 5K Road racing Championships and Mountain Running Championships to our Association events. The 5K will be held in conjunction with the Alaska 10K and 5K Classic. The Mountain Running Championships is TBA.

Course Certification

We are looking to train 2-3 more people in course certification for our state. More information to come in our December newsletter.

Event Sanctioning

If you have a Running or Track&Field event, USATF can sanction that event for you. Our December newsletter will have a section on the benefits of having a USATF event sanction.

2012 Membership

Do not forget to get on www.usatf.org and renew or purchase a USATF membership for 2012.

Have a great winter of training and keep looking for updates to USATF Alaska.
