**RE: HIGH SCHOOL AMATEURISM & ELIGIBILITY**

As the Youth Chair for the Missouri Valley Association, I am obligated to advise High School and collegiate members of the Missouri Valley Association to seek the advice of your State High School Activity Association or your Collegiate Compliance Officer on whether eligibility issues are raised if you compete for a club in the upcoming USATF Club Championship. I raise this question because clubs will be competing for prize money at the USATF Club Championship which will be held in Olathe, Kansas.
