Free \$1 Million Meet Liability Insurance Policy

Missouri Valley USA Track & Field wants to help you promote your meet!

One of the major goals of the Missouri Valley USATF is to help promote the grass roots programs of American Track and Field. In an effort to help promote youth track and field/cross country meets, developmental track and field/cross country grants will be given to clubs hosting a youth track and field/cross country meet this year. These meets are not qualifying meets for future USATF competitions, but rather an opportunity for young athletes to experience a track and field/cross country meet. We are especially encouraging areas that have not had a local meet to host a meet and expose children to the greatest sport in the world!

What do you get with the grant?

- * USATF sanction of your meet
- * Insurance – Liability insurance of \$1 million per occurrence
- * Free Award Ribbons
- * Some Nike shoes to give away
- * Some USATF t-shirts to raffle off
- * Pre-meet publicity and listed on USATF and Missouri Valley websites
- * Pre-meet publicity listed in newspapers
- * Results posted on Missouri Valley USATF site
- * Meet ideas for new meet administrators

Notes :

- ***Athletes do not have to be a USATF member to participate in the developmental meets.**
- *Athletes are encouraged to join USATF to receive membership benefits
- *If you are running multiple events, you may apply for more than 1 meet grant.
- ***You may run one year age groups in your developmental meet.**
