Club Team Coaches, in particular, are urged to express mail all their entries--even before the June 18 deadline for receipt of entries by first-class mail.

TEAM AWARDS and REQUIREMENTS

Team Championships: All Club/Teams duly registered with their respective USATF-member Associations will be scored and eligible to compete for age-division team championship plaques (five divisions, both boys and girls).

Team Scoring and Awards: Team scoring will be based on the following point structure with the top 8 places scored (10-8-6-5-4-3-2-1 -- to indicate points from first through eighth place).

Each male and female division shall be scored separately. Awards shall be presented to the first, second, and third place teams in each division. There will **NOT** be an overall team award. All teams will be scored automatically. Team-scoring declarations/fees are no longer required.

Club/Team Relays: All relay team members must be members of the same club, which must in turn be registered for 2002. A relay team consists of four (4) athletes entered into the meet on their respective INDIVIDUAL entry forms. Only those athletes who are listed on the Team Entry Form "Roster" will be allowed to compete on a Relay Team.
