

## Article 7

### *Delegates and Their Selection to Meetings*

The following persons shall be entitled to participate as voting delegates at meetings of USATF, provided however, that all delegates must be at least 18 years of age, current USATF members and, during the annual meeting, must be registered.

**A Officers and Board Members:** The officers and the members of the USATF Board, including non-voting Board members and the Counsel to the Board.

**B Committee Chairs:** The chairs of all committees listed in Article 13-A.

**C Past Presidents:** The past presidents of USATF.

**D Association delegates:** Twelve (12) delegates from each of the accredited Associations referred to in Article 5-C, and recognized by USATF; in addition, any accredited Association with more than one thousand (1,000) individual members shall be entitled to name one (1) additional delegate for each one thousand (1,000) individual members. Total Association individual members shall be determined based on the twelve (12) month registration period ending on October 31<sup>st</sup> of the prior calendar year. However, an Association whose membership has increased since then may petition the Organizational Services Committee seeking credentials for additional delegates. Each Association's delegation shall meet the following requirements:

**1 Membership:** Each of the delegates of an Association shall be a member of the Association;

**2 Athletes:** There shall be a minimum number of athletes (at least twenty percent (20%) of the delegates) in each delegation as set forth in Exhibit D. If available, at least one (1) such Active Athlete delegate shall be an International Athlete. The national office shall provide the following during the month of August each year:

**a Athlete Notice:** Notice to all athlete members meeting the definition of International Athlete of the address and telephone number of their Association; and

**b Association Notice:** Notice to each Association of those athlete members meeting the definition of International Athlete who belong to that Association;

Such athletes who are current members of USATF shall be considered and/or have a vote (where voting occurs) in the selection of athlete delegates. Athlete delegates from an Association shall be offered no less

funding that any other member of the Association's delegation other than the head of the delegation;

**3 Coaches:** There shall be a minimum number of individuals who are, or were, actively engaged in the training of athletes within the sport of athletics within the preceding ten (10) years, the coaching of school/college community athletics, the coaching of club athletes, or the coaching of International Athletes, or who are USATF-certified coaches as set forth in Exhibit D. If available, at least one (1) of the coaches shall be a high school coach;

**4. Dual roles:** For purposes of determining compliance with these requirements, an individual from an Association may be treated as both a coach and an athlete if the individual satisfies the qualifications of both. See Exhibit D for further explanation; and

**5. Sport Committees:** Each Association shall select among its delegates at least one (1) individual to represent each of its sport committees which holds an Association championship.

**E Sports organizations:** Ten (10) delegates named by each sports organization referred to in Article 5-D and the exhibits section of this handbook and recognized by USATF.

**F Other constituencies:** One (1) delegate named by each organization referred to in Article 5-E, unless USATF shall vote to grant such an organization a greater number of delegates which shall be reflected in the exhibits section of this handbook. Notwithstanding the above, the members of the sports groups for the disabled set forth in Article E and the exhibits section of this handbook shall collectively have ten (10) delegates to allocated by the Athletics for the Disabled committee.

**G International Athletes:** The members of the Athletes Advisory Committee (Article 17-C) and such additional International Athlete delegates so that the number shall be at least twenty (20%) of the total number of delegates. Such athletes shall be elected by the International Athletes using a method approved by the Athletes Advisory Committee.

**H Alternates:** Alternates may be named for all delegates except the offices and directors of USATF. An alternate may vote in the place of an absent delegate provided the alternate meets all of the required qualifications of the absent delegate.
