June 20 – 24, 2007**

Athlete Support Credentials Guidelines - At its 2006 Annual Meeting, the USATF Board of Directors approved several revisions to the organization's **Zero Tolerance** (anti-doping) program. One of the changes involves the establishment of a "Registered Coach System" that will eventually require all coaches seeking benefits from USATF - including credentials to national championships, stipends, and positions on national team staffs - to apply for the "Registered Coach" designation. This year, USATF will begin to implement the revised Zero Tolerance policy and Registered Coach System. The implementation will take place incrementally in 2007 and 2008 as USATF develops the infrastructure and systems needed to fully establish a broad and effective program.

The first step towards implementation of the new system will be undertaken at the **2007 AT&T USA Outdoor Track & Field Championships**, and will also seek to meet the goal of USATF's Track & Field Chairs to better control the Athlete Support ("AS") Credentialing System.

The AS credentialing system for the 2007 AT&T USA Outdoor Track & Field Championships will be as follows:

- 1) All participating athletes may request one free AS credential by specifying the name of the individual designated to receive that credential on their entry form.
- 2) Participating athletes may authorize the purchase of one (1) additional "AS" credentials by providing the name of the individual(s) who may purchase the additional credential on their behalf on their entry form. Only the individuals specified by participating athletes for this purpose may purchase such credentials
- 3) No coach or support staff who is currently banned or under investigation by the U.S. Anti-Doping Agency (USADA) may be

authorized to receive or be given an AS credential/ticket, whether complimentary or purchased.

- 4) Any unauthorized person in possession of an AS credential and/or found in any credential-restricted area of the Michael Carroll Stadium, athlete warm-up areas, or other restricted zones of the 2007 AT&T USA Outdoor Track & Field Championships, will immediately be escorted from the facility, and the credential will be revoked. Athletes who ignore this policy may be subject to penalty.

\$60 - "AS" All Sessions Credential

Provides admission to Carroll Stadium, warm-up track, mixed zone, event shuttle from the Hyatt, Radisson and Westin and seating in the athlete/athlete-support seating area.

Athlete and Athlete Support Seating

Reserved Athlete and Athlete Support seating is located in section U3 and throughout backstretch in general admissions seating. This seating is open to all personnel with an Athlete or Athlete Support credential.

Special Coaches' Areas

Special coaching areas will be available to working coaches. These areas may only be used during event times. These sections include the following:

L1	Pole Vault & Javelin
L12	Long Jump / Triple Jump
L21	Shot Put
L24	High Jump
L30	Shot Put & Discus
L38	Pole Vault & Javelin
L38	Discus & Hammer

National Team Processing – IUPUI Natatorium

The 2007 Finish Line USA Junior Outdoor Track & Field Championships will serve as the selection meet for the 2007 Pan American Junior Championships to be held July 6-8 in Sao Paulo, Brazil. All athletes are required to complete team

**Finish Line USA Junior Outdoor Track & Field Championships

June 20 – 24, 2007**

processing in order to be eligible for 2007 USA National Teams. Those who do not complete team sign-up will forfeit their rank for selection to national teams for the 2007 season.

Athletes should bring the following to team processing:

- Valid U.S. passport*
- Necessary information to complete forms (contact information for coaches, etc.)

SPECIAL NOTE: Pan American Junior Team members will require a visa to enter Brazil, so athletes must bring their passports with them to the Championships. USATF will obtain athlete visas; however, because this process is time-consuming, all junior athletes must bring their passport with them to the Outdoor Championships in Indianapolis so their visa can be applied for. Passports must be valid for 6 months after the return date; thus, all passports must be valid through January 2008.

Athletes who do not bring their passport with them to the Championship will not be considered for Pan American Junior team selection.

Athletes must compete in the Junior Championships to be eligible for the Pan American Junior Team.

Team Processing Schedule

Team processing for Junior athletes will take place at the IU Natatorium from Thursday, June 21 - Sunday, June 24. Athletes must complete team processing on the day of their finals. We strongly suggest coming to the team sign-up room in the IU Natatorium immediately after drug testing. National Team Processing will operate on the following schedule:

Thursday, June 21 2:00 p.m. - 10:00 p.m.
Friday, June 22 12:00 p.m. - 10:00 p.m.
Saturday, June 23 2:00 p.m. - 8:00 p.m.

Sunday, June 24 race walk: on-site
Please schedule at least 30 minutes for Team Processing when making your travel arrangements.

The **first eight (8) places** in all field and track finals should complete paperwork at Team Processing due to the fact that we have a number of teams going out this summer. All **semi-finalists in the 100 meter, 200 meter, and 400 meter dashes** should also complete the team signup process in order to be eligible for the national team relay pools.

We strongly suggest coming to the team **immediately** after doping control testing.

Team staff will be in the Doping Control/National Teams Tent identifying those individuals eligible for each team. Athletes qualifying for a team must visit the National Team Processing Center in the IU Natatorium

Reminder: without exception, those not completing team processing will not be eligible for 2007 outdoor national teams
Visit www.usatf.org/elite for more information.

Tickets

Tickets may be purchased by calling 800-HI-FIVES, Ticketmaster or at the main entrance to Carroll Stadium during the competition (subject to availability). Tickets will be sold from the Carroll Stadium Ticket Office (Northwest Gate of Carroll Stadium) from Monday, June 18 to Sunday, June 24. Tickets are also available at www.usatf.org

Drug Testing

Athletes who participate in this competition are subject to drug testing performed by the U.S. Anti-Doping Agency (USADA) in accordance with the USADA Protocol for Olympic Movement Testing.

BE ALERT – Knowing your rights and responsibilities may save you from making a mistake that could jeopardize your athletic career. The use of ALL dietary supplements is “at the athlete’s own risk of committing a doping violation.” Please see page 50 of the 2007 Guide to Prohibited Substance and Prohibited Methods of Doping (www.usada.org/go/prohibitedguide) for additional information on dietary supplements. Check out the Test Alert Card for key details every athlete should know prior to competing: www.usada.org/go/testalert.

BE AWARE – Testing may take place at any time or after any round – preliminary, qualifying, or final – USADA typically selects place finishers and random athletes. Athletes have 60 minutes from the time they are notified of being selected for testing to arrive at the Drug Testing Station and will be accompanied by a chaperone during that time..

BE CLEAN – Checking to see if the medication you take is allowed could be the difference between passing your test and serving a doping ban. A search on USADA’s easy to use Drug

Reference Online™ (www.usada.org/dro) or a quick call to USADA’s Drug Reference Line™ (1-800-233-0393) and following-up with any necessary forms is all it takes to pass with flying colors.

BE INFORMED – Watching USADA’s short testing video will familiarize you with the drug testing process: www.usada.org/what/process/. When making travel arrangements please allow enough time for drug testing at the end of your event. This will include providing a sample and processing paperwork.

The adjudication of anti-doping rule violations or refusals to test will be carried out by USADA. Athletes found to have committed a doping violation will be disciplined according to penalties specified by the World Anti-Doping Code and, if appropriate, applicable IAAF rules. Such penalties may result in a period of ineligibility as well as disqualification from the event.

PLEASE CONSIDER THE TIME NECESSARY FOR PROVIDING A SAMPLE AND PROCESSING PAPER WORK AT THE END OF YOUR EVENT WHEN MAKING TRAVEL PLANS.

Competition Procedures

Warm-up

Running Events

Warm -ups will take place within Carroll Stadium on the grass field located near the scoreboard.

Field Events

Final Call - Running Events

Athletes must report to the Final Call Tent located in the warm-up area 20 minutes prior to the start of the event. Athletes will receive hip numbers at Final Call. Sweats will be placed into baskets for transportation to the Mixed Zone for retrieval after competition. Athletes will be escorted from the Final Call Tent to the starting line for their event.

Final Call - Field Events

Athletes **must** report to the Clerks' Tent located in the warm up area to be escorted to the field event competition site according to the following schedule:

- Shot Put 60 minutes prior to start of event.
- Discus 60 minutes prior to start of event.
- Hammer 60 minutes prior to start of event.
- Javelin 60 minutes prior to start of event.
- Long Jump 60 minutes prior to start of event.
- Triple Jump 60 minutes prior to start of event.
- High Jump 90 minutes prior to start of event.
- Pole Vault 90 minutes prior to start of event.

Field Event Warm-up Procedures

Field event athletes will be permitted onto the competition site according to the Final Call schedule. In the throwing and horizontal jumping events, athletes who are not in the first flight will be escorted away from the event site approximately 25 minutes prior to the start of the competition, and the final 15 minutes will be reserved for the first flight. Warm ups will cease approximately 10 minutes prior to the start of competition for site preparation and introductions. Subsequent flights will be called from the Final Call area, escorted to the competition site, and receive 15 minutes of warm up time prior to introductions.

Mixed Zone

Athletes in **ALL** events (track & field) will be escorted to the Mixed Zone through the gate located near the scoreboard. Field event athletes will be escorted by the officials assigned to that event. Athletes will walk through the Mixed Zone

and speak to the press. Athletes may be requested to go to the Interview Tent after they have passed through the Drug Testing and National Team Area.

Post-Event Recovery

All athletes will move from the Mixed Zone to the Post-Event Recovery area. Clothing baskets will be located in this zone. Athletes will dress and move to the Drug Testing/National Team Tent.

Drug Testing/National Team Tent

Athletes selected for drug testing will be notified by a USADA drug testing representative in this area. National Team Staff members will notify athletes of selection to a national team and provide team sign-up information. **Please remember that athletes have one hour after signing a Drug Testing notification form to report to the Drug Testing Center located inside the IU Natatorium** (see map). * Note: Please see enclosed handout in your athlete packet regarding athletes who are doubling in multiple events on the same day.

Awards Presentation

All champions will be honored in a medal ceremony following the conclusion of their event. Winners may be asked to complete a victory lap and toss gift items to the crowd or to give an on-field interview. Athletes who finish in 2nd - 6th place in the running events will receive their medals at the awards table located near the Mixed Zone. Field event athletes finishing in 2nd - 6th place will receive their medals from the Chief Official upon completion of the event. Please remember that athletes have one hour after signing a Drug Testing notification form to report to the Drug Testing Center located inside the IU Natatorium (see map).

Protests

Protests relating to matters that develop during the conduct of the competition must be made in writing only by an athlete or an athlete's representative on behalf of the athlete. The

**Finish Line USA Junior Outdoor Track & Field Championships

protest must be signed, accompanied by a \$50 cash protest fee and submitted to the protest table no later than 30 minutes after the official announcement of the results. Protest forms and USATF competition rulebooks will be available at the protest table located under the red and white striped canopy along the front straightaway. The referee's decision will be posted at the protest table and a copy will be available for the athlete filing the protest as soon as the information is available.

Appeals

If an athlete wishes to appeal the referee's decision, an appeal must be submitted in writing, signed and submitted to the protest table within 30 minutes after the action by the Referee has been officially posted. An Appeals fee of \$100 must accompany the appeal. Appeal forms will be available at the Protest Table located under the red and white striped canopy. Only an athlete or an athlete's representative acting on behalf of the athlete may file an appeal. Appeals will be directed to the appropriate persons. The decision of the Jury of Appeals is final and a copy will be available for the athlete filing the appeal as soon as a decision regarding the appeal is made.
