Outlook for 2010 Meeting

Team USA selected itself from the recent 91th USA national championships in Des Moines. Spots were offered to athletes who placed 4th to 8th. Coaches added two discretionary selections. Team USA has a trio of international veterans and another three facing their first international.

There will be no Tom Pappas to lead the American team as he did in 2009 when he ran up a meet record 8569 score. And Jake Arnold, the newly crowned USA champion will also not be with the USA team. Arnold and Pappas went 1-2 in Des Moines. Arnold was the Thorpe Cup runner-up in 2008. The team will be led by Joe Detmer, Lodi, Wisconsin, who used his significant running skills to record his first 8000 effort in Des Moines. For 3rd place.

Team USA will rely on recovering Chris Helwick, Greeley, CO, who was injured in Des Moines, Missouri's Big 12 champ Nick Adcock, Kansas City, and former Northern Iowa mainstay Mat Clark, Ames Iowa. Three other Americans will be making their first international appearance of any kind: Texas A&M's Trinity Otto, Clemson

junior Miller Moss, and 30 year old Mark Jellison, Berkeley, CA.

The American team is relatively young and US coaches Dan Steele/Northern Iowa and Aaron Fox/Texas-San Antonio, will have their work cut out for them.

Germany's Team Zehnkampf, will send it top three to the European Championships in Barcelona. Their remaining team is youthful and talented, led by Jan Felix Knobel, the 2008 IAAF world junior champion and 23 year old Rico Feimuth, who sports a 7826 seasonal best. He is the son of legendary East German Uwe Freimuth (PR 8792! 8792!!) who was 4th at the 1983 World champs and a 2x Gotzis winner. The Freimuth's are now the highest scoring father-son combo in history.

There is no way to forecast the outcome of this meet. There are four reasons why the host German team will be favored:

- youth (the German team averages 23 years of age-young legs);
- they have a timing advantage since it is now the height of the German CE season and late for the Americans who peaked 4-6 weeks ago.
- The atmosphere in Marburg will be terrific and will favor the hosts.
- they are at home.

There are five reasons why team USA will be favored:

- experience in the names of Detmer, Helwick and Adcock, all of who have been on winning Thorpe Cups teams in the past
- Using career best scores Team USA, on paper, appears superior.
- History: Team USA has on 13 of the 16 previous meetings including the last six.
- It simply cannot be as hot and humid in Germany as it has been in American the past month.
- Joe Detmer if the meet is close and it comes down to the 1500m..

Nothing is ever taken for granted at the Thorpe Cup and it is always hotly contested. In 1999 the meet was decided by a miniscule, microscopic, tiny, infinitesimal, atomic...(you get the picture!) five points. One German coach described the margin as "a puff of wind." It was the closest team match anywhere in decathlon history. The 2006 winning USA margin in Manhattan was a mere just 57 points. Team USA has also lost by the biggest margin in series' history, 2614 points in 2001. USA teams have won 13 of the first 16 meets in the current series which dates to the 1993 "Shellacken in Aachen." The American team has a current 7 meet win streak.

Thorpe Cup History

Now the world's most important nation vs. nation team decathlon, this meet has been variously called the VISA CUP Meet or the JEEP Challenge. And in 2007 officially took the name of **The Thorpe Cup** in honor of 1912 Olympic Decathlon Champion Jim Thorpe, Carlisle, PA

The concept of an annual team match was initially conceived by VISA-USA team coach Harry Marra and Team Zehnkampf coach Claus Marek in 1993. This is the 17th of a series of annual international team decathlons between the USA and Germany. In the current series, the first meeting was arranged in Aachen, Germany in 1993 where Stefan Schmid of Germany and the VISA USA team were victorious. The American team won 6 of the initial 7 team battles, One, the 1999 affair, also in Aachen was decided by a mere 5 points. Team USA got back on the winning side in 2002 with a major win in Walnut, CA, led by Tom Pappas and repeated in 2003 in Bernhausen. The 2004 meet, scheduled for Kansas State U, was cancelled by the German federation in June, 2004.

Last year's champion, Tom Pappas, will not defend. His brave 8100+ score at the USA nationals (w/o any running training) will be missed in Marburg.

In 1996, with the meet in Edwardsville, IL, the USA squad set a world 5 man team record averaging 8121.4 points per man.

Only Kip Janvrin, Mike Maczey and Pappas have won the individual title more than once. See below.

In the years before the current series, USA and German decathlon teams met twice. Team USA won both, with Bruce Jenner getting a world leading score in 1974 in Tallinn, Estonia (tri meet: USA/USSR/ Germany). Team USA won again in 1983 in Baton Rouge, LA. So, counting the two earlier team meetings, the Americans hold a historical 16-3 national team advantage.

TEAM USA DELEGATION:

Head Coach: Dan Steele, U of Northern Iowa.

Dan Steele has been named the Head Men’s and Women’s Track and Field/Cross Country Coach at the University of Northern Iowa, as announced by UNI Director of Athletics Troy Dannen.

Steele, a native of Sherrard, Ill., recently finished his seventh season at the University of Oregon. Steele was instrumental in leading the combined men’s and women’s teams to unprecedented success in 2009, where the Duck men won the NCAA Indoor title, the Pac-10 Conference title and finished second at NCAA Outdoor meet. Not to be outdone, the Duck women won the 2009 Pac-10 Conference title and finished second at the NCAA Outdoor meet. Steele made history at the 2009 NCAA Outdoor Championships by coaching Ashton Eaton to his second Decathlon title and Brienne Theisen to her first Heptathlon title. This is the first time in NCAA history both multis winners came from the same school. For his efforts, Steele was voted the 2009 Indoor NCAA Coach of the Year.

“My extraordinary experience at Oregon has prepared me well to take over the program at the University of Northern Iowa.” Steele said. “I had the great pleasure of working for and learning from two of the most brilliant head coaches in the business, Vin Lananna and Martin Smith. In that time, I have also enjoyed coaching some of the finest track and field athletes in America.

“Northern Iowa and I are a great fit. Originally from the Quad Cities, I also know Cedar Falls/Waterloo is the perfect place for raising a family. UNI’s proud and impressive tradition of athletic and academic excellence falls in line with my professional standards and expectations. Coaching is teaching; I am a passionate teacher. With my modern vision and leadership, UNI will remain relevant at the NCAA level and be a perennial Missouri Valley Conference championship-caliber team.”

As the Associate Director of Track and Field at Oregon, Steele was responsible for running the daily operations of the men’s and women’s track and field team. Overseeing the sprinters, hurdlers, pole vaulters, decathletes and

heptathletes, Steele has coached eight NCAA champions, 13 Pac-10 champions, 30 All-Americans and helped Oregon student-athletes establish 22 new school records.

As an athlete, Steele competed as the brakeman on the Olympic bronze medal four-man bobsled team for the United States at the 2002 Games.

Steele earned a bachelor's degree in sociology from Eastern Illinois in 1992. As a collegiate student-athlete at EIU, Steele captured the 400-hurdles NCAA title as a senior, was a two-time All-American and two-time Drake Relays champion for the Panthers. He was inducted into the EIU Athletics Hall of Fame in 2001.

He and his wife, Dusky, have two sons, Xander and Blake.

Assistant Coach: Aaron Fox, University of Texas-San Antonio

Aaron Fox is in his second season as director of track & field and cross country. An integral part of UTSA track & field for the last decade, Fox has been in charge of the men since 2003 and he added the women to his list of responsibilities following the merging of the two programs in July 2008. His Roadrunners career began as an assistant for both the men and women from 2000-02.

He has led the men to five consecutive Southland Conference Indoor Championships and been named Southland Indoor Coach of the Year the past five seasons (only coach in league history to earn five straight awards). Fox's other honors include the 2008 U.S. Track & Field and Cross Country Coaches Association (USTFCCCA) Indoor South Central Region Coach of the Year and Southland Outdoor Coach of the Year in two of the past three years (2008, '10). In fact, the Flagstaff, Ariz., native became the first mentor to sweep the league's top coaching awards in four years in 2008.

Under his watchful eye, Roadrunners student-athletes have broken or tied six conference and 67 school records, won 77 league titles and earned 10 All-America certificates. There has been just as much success in the classroom, as multi-event performer Bryan Wolfe swept Southland Student-Athlete of the Year honors in 2005 and '06, while Mecke has been honored three times (2008 cross country/'09-10 indoor).

During the past five years, 57 individuals have qualified for NCAA Championship Preliminary Round competition and 12 have advanced to compete at the national meet.

On the women's side, Fox immediately has turned the Roadrunners into Southland contenders in just two short seasons.

UTSA posted its highest indoor finish, third, in a half dozen years in February on the strength of a school-record-tying six individual/relay crowns.

In his first season as interim head coach in 2003, Fox led the Roadrunners to a pair of individual league titles and a fifth-place finish at the Southland Indoor. Additionally, Carl Johnson was named Outstanding Track Athlete of the Meet.

Fox, a team captain at Texas in 1998-99, was an All-American and the first-ever Big 12 Champion in the indoor heptathlon and outdoor decathlon. He also holds the U.S. Junior first-day total and long jump records and held the Big 12 Outdoor meet record in the decathlon from 1997-2009. In 1995, he broke Daley Thompson's junior 100-meter dash mark in the decathlon and was the No. 1-ranked U.S. Junior and third-ranked junior decathlete in the world. Fox also still owns the Arizona Class 4A state record in the long jump (24-7) and his 10-year-old triple jump mark of 49-1 was broken in 2007.

A 1999 graduate with a bachelor of science degree in kinesiology, Fox served as an assistant with the Texas track & field camp from 1997-98 and with the Longhorns program until 1999.

Fox is married to the former Sarah Vestal and the couple has a daughter, June Elizabeth.

WHERE TO FIND MEET RESULTS.....

Results will initially be posted by host Team Zehnkampf at:

<http://www.zehnkampfteam.de/> and some of the events may also be streamed on YouTube. Check YouTube periodically.

Reports on each day will be posted on our website:

www.decathlonusa.typepad.com. There is a 6 hour time difference between Marburg and US east coast. I should be able to get a report posted each day.
