USA TRACK & FIELD - ELITE SANCTION ADDENDUM INSTRUCTIONS

The Elite Sanction Addendum must be completed if your event plans to do any one of the following:

- a) Award funds or prizes with a value of more than \$500 for any *individual* performance or participation (note: *total* prizes may exceed \$500 without triggering this requirement but any potential single payment greater than \$500 will trigger the Elite Sanction requirements and regulations);
- b) Serves as National Championship and/or trials competition for the selection of USA international teams (other than Youth or Masters); and
- c) Competitions which may be subject to formal doping controls.

The conditions of the Elite Addendum are additional conditions of the sanction that are required due to the nature of these events. Most of them are required by the Ted Stevens Amateur Sports Act of 1998 or by regulations of the International Amateur Athletic Federation (IAAF). The IAAF is particularly concerned with the payments to athletes and extending invitations to non-resident foreign athletes. Your attention and compliance with these procedures are necessary to protect the interests of the athletes. If you have any questions about your responsibilities under the Amateur Sports Act or IAAF rules, please contact the USATF National Office at 317-261-0500 attention: Legal Department.

Note that a schedule of fund payments must be included with this form. This schedule should include all amounts you plan to offer based on place and/or time. A sample schedule would be as follows:

2 nd	\$500

Division: Women's Open

ADDITIONAL SANCTION CONDITIONS

1. **Protecting the eligibility of athletes:** The IAAF has a number of rules regarding athlete eligibility. It is the responsibility of event organizers to understand all relevant regulations. Failure to understand or comply with these regulations can harm the eligibility of participating athletes. (See IAAF Rule 17, USATF Regulation 14 and USATF Competition Rule 146.)
2. **Records provision:** Many organizers want to ensure that performances at their event may be recognized for record or ranking purposes. The requirements vary depending on the event and the type of performance recognition. Contact USATF (317-261-0500) for more details.
3. **IAAF requirements:** Sanctioned events which invite international athletes may be subject to additional IAAF competition and other rules and should consult the IAAF rulebook to ensure compliance.
4. **Qualified Officials:** USATF certified officials are considered qualified officials. In general, officials certified by a state officials group are also qualified. Other officials may be considered qualified provided they have had experience in the conduct of events similar to the one being sanctioned. This does not mean that all volunteers must be similarly qualified. Rather, it means that the event must be supervised by qualified officials.
5. **Financial Statements:** The Ted Stevens Olympic and Amateur Sports Act of 1998 require this provision.
6. **Drug Testing:** USATF sanctioned events are subject to a drug testing program and your event may be randomly selected for testing. If selected, you will be notified of your selection prior to the event and you will be instructed by USATF regarding all material aspects of the drug testing protocol. This includes furnishing of a facility in which to take samples, providing drinking fluids, and assembling volunteers to assist the drug testing crew assigned by USATF.
7. **Attestation:** No future sanction shall be given to any organization which has failed to fulfill its obligation to athletes or to give prizes as stated on its entry forms. **Organizers must initial this section.** _____ (Organizer initials)
