Officers Reports

Chair -- Len Krsak Some communications with Doug Logan and Stephanie Hightower. Stephanie wants to meet with officials soon. Lots of emails to Chair covering a variety of topics. May want to consider a committee for advancement. Women Referees—Need a pool of folks to select from. Notice on web site concerning women referees is an announcement. Discussion about number of officials at national meets. Len heard from Doug Logan and others about too many officials on track.

Awards -- Gordon Boccock Discussion of National Outstanding Officials Awards. Report on Horace Crow Award, Charles Ruter Award, John Davis Award, James Grey Award, and Andy Bakjian Award. Hall of Fame Award Banquet—Need to limit number of guests provided complimentary tickets to banquet. Sue Polansky moved, seconded by Rex Harvey, to provide complimentary tickets to award recipient and one guest. Motion passed.

Chair Len Krsak recessed the meeting at 6:45 pm.

Chair Len Krsak called the meeting to order April 29, 2009 at 8:30 am.

Certification -- Jim Flanik USATF NOC has certified 4086 officials since first of November with 1100 of them being new officials. New Association level officials test is good. Some are having problems with officials having to be members of USATF. Folks went through certification process but were not willing to spend the money to join USATF. Discussion of certification rules review. A lot of griping about Master Track & Field review. Too long, takes too much time to complete. A proposal to put together a group of certification chairs to look at Master level review and make recommendations on review for next Olympiad.. Rules review is available on web sites. Need to encourage folks to use the web sites. However, many officials do not use web based reviews. Jim Flanik moves to pull National Federation (HS) and IAAF questions out of all level reviews and make them separate modules officials can complete if desired. Second by Rex Harvey. Motion carried.

Jim Flanik has a quote on a new card printer \$7200.00. Current card printer has broken down, but Jim is able to fix it.

Discussion of requirements to be upgraded. Jim Flanik brought up the idea of national standards for upgrading officials. The problem is enforcing the requirements. Rex Harvey brought up that the Advancement Training group be responsible for writing guidelines.

Jim Flanik moved that any official that changes associations without physically moving into the new association cannot upgrade for at least two years. Second by George Kleeman. George Kleeman called the question. Motion passed.

Rules -- George Kleeman Discussion of use of technology at major meets without people who have knowledge of how to use the technology. Discussed need of use of technical managers at these major meets.

George asked if officials can get access to data base to update demographic information. Can Certification Chairs download their member's data? Can NOC officers download all members' information? Why don't put all new officials on the list serve? Gordon Bocoock moved that all members automatically be placed on the list serve with the option they can opt out. Second by Sue Polansky. Motion passed. IAAF has gone through preliminary review of rules. Will make changes in August. Going to no false start rule with one false start allowed on Combined events. National Federation will have some changes in order of rules. Rules changes at USATF convention in 2009 will be minimal. Mostly changes to agree with IAAF rules.

Training -- Rex Harvey Organization of Training Committee is working pretty well. Groups are learning their roles. Have assigned new members to groups. There are a lot of new people. The group has selected a person in educational material to assist with training materials. Five groups are;

- Clinic Group—No clinics in Eugene in 2009. Trying to have an electronic measurement clinic at the NCAA DI meet. Need more than the three officials

who are now evaluators. Need to put the lists of qualified officials in electronic training, electronic measurement, electronic recording, and electronic manager on line. Added J.R. Heberle ,Eric Smith and others to certifiers.

- Initial Training Group—Documents produced by this group is generally too long and inclusive. Will be produced in DVD format and in print.
- Continuing Education Group—Take rule changes and make them into training. Will not do training module for NCAA this year.
- Advanced Training Group—Two projects being implemented presently. Referees Casebook and taking Initial Training Group materials and determine what should be in Advanced Training. Group charged with coming up with criteria for becoming National and Master level officials. Training for Referees—a mentoring system needs to be developed. Len will talk to Youth Committee chair to discuss this issue.
- Outreach Group—Interact with other organizations to coordinate such things as Officials Exchange. Group has selected George Adams and Jo Burrows to represent USATF at Great Britain’s National Young Athletes League Finals. Gordon Bocoock moves, second by Sue Polansky, to approve recommendation of training committee for officials exchange.

•
Worked with NFHS to produce a Case Book for High School. (Note: Not the case book the federation has published for some time.)

Mentoring—National Training Group should develop materials to train mentors. National Training Group to assign this task to one of the groups

Training DVD Development Need to produce a training DVD. Sue Polansky will look into applying for a grant to produce video.
