

## **National Officials Committee Secretary's Report**

Date: November 8, 2009

To: National Officials Executive Committee  
National Officials Members

From: Tom Hott, NOC Secretary

The Secretary's report consists of the minutes from the 2008 General Session meetings, two Executive Board meetings, and the mid-year NOC Executive Committee meeting. The minutes from all the meetings have been posted on the USATF Officials; web site for your convenience. Printed copies are available in the 2008 National Convention Report

In August I mailed all Certification Chairs information concerning additional representatives to this committee. For every 100 certified officials within an association the association is entitled to an additional representative. Twenty two associations were entitled to additional representatives and all twenty two associations responded with additional representative names.

The report booklet containing reports from the Executive Committee and many Sub-Committees is available at the General Sessions of the National Officials Committee. I would like to thank all the individuals who provided reports in a timely manner.

I would also like to thank those who volunteered to assist in the check in process at this annual meeting to ensure a quorum. And, finally I would like to thank you for allowing me the honor to serve the NOC as Secretary.
