

BRIEFING FOR COMBINED EVENT OFFICIALS
(By Combined Events Coordinator)

- Welcome – Thanks for all you do
- Introductions
- Appreciate the skills and experience here; many could be Lead Officials
- Assignments
- This is Team Effort
 - Anyone not comfortable with assignment by lead -- say so!
 - Any problems during competition get together with lead or entire team on the side
- Lead Officials
 - Make assignments well in advance of start of competition, not at the last minute
 - Need help? Get with the Referee
 - Keep event instructions to a minimum – these athletes are not new to the events
 - Two records of each event -- primary and secondary -- both to me.
 - No place recordings on event sheets -- just highest and longest measurement attained
 - Return event site to its original condition
 - Start and Finish time on Sheets
- I will assign start times for each event and deliver results after each event
- Nothing is different - follow USATF rules
- Box of equipment at event site
- We're here for the athletes – they're the stars of the show, not us We're here to assist them attain and record their best performances
- Safety -- if needed Medical Assistance is on the floor Do not touch athlete.
- Officials needed to assist with hurdle set up. WATCH OUT during warm-ups
- Be here at (time) on Sunday to set up (two day event)

- Questions ???
