

## **High School Long & Triple Jump Rules**

*(Also see “High School Field Event General Rules”)*

1. Each competitor is allowed three preliminary trials. In the finals each qualifier is allowed three additional trials. In meets with limited entries, the Games Committee may allow all competitors just four trials.
2. The order in which competitors take their initial trials is determined by lot or the Games Committee. The head official may change the order of competition to accommodate those excused to participate in other events. In this case, competitors may be allowed to take more than one trial in succession in preliminaries and finals.
3. The time limit for competitors excused to compete in another event is determined by the Games Committee. Always record the time when competitors leave to compete in another event and when they return.
4. The time at which the preliminaries in the event shall terminate is set by the Games Committee. Any competitor who does not complete all preliminary attempts within the time specified forfeits any remaining preliminary trials.
5. If there are preliminaries and finals, the order of competition in the finals is the reverse of the best performances in the preliminaries; i.e. the competitor having the best preliminary performance will be last in order.
6. When preliminaries are held, one more competitor than there are scoring places shall qualify for the finals. However, all competitors tying for the last position shall be finalists.
7. To be eligible to participate in the finals, a competitor shall have had at least one legal jump in the preliminaries.
8. If a qualifying athlete withdraws from competition in the finals, no substitute may replace the withdrawn athlete.
9. Markers may be placed alongside the runway, but not on it.
10. A foul jump is one which is counted as a trial but which is not measured.
11. **It is a foul if the competitor:**
  - a. Allows his/her shoe to extend over the scratch line or make a mark in front of it on the takeoff.
  - b. Runs across the scratch line, or the scratch line extended.
  - c. Does not keep his/her head in the superior position, i.e., no somersault.
  - d. In the process of landing or leaving the pit, touches the ground outside the landing nearer the scratch line than the nearest mark made in the landing pit.
  - e. Fails to initiate a trial that is carried to completion within **1 minute** after being called for a trial, unless excused by the event officials to participate in some other event.
12. Jumps are measured perpendicularly in a straight line from the edge of the takeoff board or its' extension nearest the landing pit, to the mark made by the competitor in the landing pit nearest the takeoff board. Measurements are recorded to the nearest lesser ¼ inch or centimeter. Measurement must be made with either a non-stretchable tape or certified scientific measurement device (laser). Judges shall hold the tape such that the zero end is in the pit.
13. **In the event of ties**, places are determined as follows:
  - a. First tie-breaker: If the distance resulting from the best performance of competitors is identical, the higher place is awarded to the tying competitor whose second-best performance is better from either the preliminary trials or the finals.
  - b. Second tie-breaker: If the second-best performances are also identical, the higher place is awarded to the tied competitor whose third best performance is better than the third-best performance of any tied competitor, etc.

## High School Field Event General Rules

1. **Warm ups** or practice jumps or throws are not allowed at the field event venues unless supervised by an adult coach or official. Penalties: first occurrence: warning; second occurrence: disqualification from the event; third occurrence: disqualification from the meet. At the end of competition, field event venues are closed and no practice is allowed.
2. **Reporting.** Athletes who fail to report prior to the first competitive jump or throw may not participate in the event.
3. **Wounds.** Athletes who are bleeding, have an open wound, or have an excessive amount of blood on the uniform may not participate further until treatment is administered and/or the excessive blood is removed from the uniform.
4. **Assistance.** During the competition athletes are not allowed to view videotape or any other visual reproduction of the competitor's performance, nor use any wireless communication device.
5. **Records.** A record is recognized for each competitor when two or more tie at the record distance or height even though the points and places in the event are determined by the method of breaking ties. A record is valid whether made in preliminaries or finals.
6. **Placings.** To place in a field event a competitor must have had at least one legal throw or jump. If after applying the tie-breaking criteria, there is still a tie by any of the competitors for any scoring places, the points for tied places shall be added together and divided by the number of competitors who are involved in the tie. The head event official must sign the event card, indicating all the place winners.
7. **Unacceptable conduct** by a competitor includes, but is not limited to: willful failure to follow the directions of a meet official; using non-excessive profanity which is not directed at someone; or any action which could bring discredit to the individual or his school. Make note of the disqualification and the specific reason for it on the result sheet. Pass this information on to the referee so he/she can verify the disqualification and be prepared to discuss it with the competitor's coach. In situations where the disqualification is not obvious, immediately notify the referee, who will determine if a disqualification is justified. Whenever possible the head event official should stay at the event location and continue the competition.
10. **Uniforms.** Each competitor is required to wear a legal uniform. A competitor shall not compete while wearing an illegal uniform. Failure to wear a proper uniform or wearing jewelry disqualifies the competitor from an event, not just an attempt in the event.
