\* indicates World Record also

^ indicates WMA approved

Abbreviations:                   DOB -   Date of Birth

ZCT - Zero Control Test

**Status Information**

Steps are taken to inform the applicant whenever status changes occur.

**Reviewing**

**Waiting**

**Rejected**

**Approved**

**Surpassed**

The Records Committee is reviewing the application

Awaiting a response from the applicant. The application is missing something.

The Records Committee has rejected the application.

The Records Committee has approved the application.

The performance has been bettered, no additional steps will be taken.

A ratified application has been reviewed and its status has been formally confirmed.

USATF will report an approved application as "Pending" until ratification takes place.

A rejected application can be reviewed if problems with the application are resolved.
