Dear Southeast Region Associations

“UNSAVE” THE DATE: Unfortunately, the South Carolina Association has run into challenges with the University which apparently booked 2 events on the same weekend, and gave preference to the “other” one. At this late date, there is little time to locate another venue and start anew, so we are foregoing the USATF Southeast Regional Open T&F Championships for 2014. Stay tuned for more to come in 2015!

From the National Office (the following was recently sent by Desiree to Association Presidents, Secretaries, Sanction, Membership and Club Chairs):

Adam Sefcheck has replaced Carmen Triplet in the event sanction program. Adam has been training with Carmen for the past month. Carmen has accepted a position with Renee Washington, our COO. Moving forward, please direct all Sanction inquiries to Adam, and hooray to Carmen in her new adventure!

- Updates have been made to the online Association Manual, including the accreditation chapter. Please let us know if you see anything that still needs to be updated or corrected. The manual is located on the [Association Resource Center](#).
- The 2014 Rule Books are now available for purchase online at the USATF Store. Certified Officials and Approved Clubs can purchase the books at a discounted rate of \$5 at the following link. <http://www.usatf.org/store/showProductDetail.asp?item=7001> Please circulate this link to your Officials Chair.

And from our recent AEC conference call: the \$100 late fee has been reinstated for clubs renewing after 5/19/2014. Does not apply to new clubs. Please let your Club/ Membership Chairs know.

Association Workshop: August 15-17, Sacramento – Save the Date!
