(ii) LOC shall be responsible for preparing the Facility to ensure compliance with the Technical Requirements as set forth by the USATF Site Evaluation Committee and/or USATF. USATF may monitor the preparation of the Facility to determine compliance with the Technical Requirements. In the event that either party discovers that the preparation of the Facility is not in compliance with the Technical Requirements, then the party discovering the noncompliance shall send the other party a notice of noncompliance within forty-eight (48) hours of its discovery. Within five (5) days of the date of the notice of noncompliance, the LOC and USATF shall confer to determine how to resolve the issue of noncompliance. In the event that a mutually agreeable resolution to the noncompliance is not reached within forty-eight (48) hours of the first meeting or telephone conference of the LOC President and the USATF CEO, or their designees, then the dispute

resolution procedures contained in this Agreement shall take effect. Once a final resolution is reached on how to remedy the noncompliance in question, then LOC shall take all steps necessary to bring the Facility into compliance with the applicable Technical Requirements, at its sole cost and expense. Such compliance must be completed within thirty (30) days of the start of the Championships. In the event that LOC has not brought the Facility into compliance with the Technical Requirements within twenty-one (21) days of the commencement of the Championships, then USATF shall have the right, upon three (3) days prior written notice to LOC, to take all actions necessary and appropriate to bring the Facility as close to full compliance with the Technical Requirements as is possible, prior to commencement of the Championships, and LOC shall have no further legal authority to act in this regard. If USATF is required to act according to the preceding sentence, LOC shall be responsible for any and all costs and expenses incurred by USATF in bringing the Facility into compliance with the Technical Requirements. Further, LOC shall ensure that:

(a) This Agreement shall be governed, construed and interpreted in accordance with the laws of the State of Indiana (excluding its conflicts of law rules), and the Federal Trade Mark Act of 1946 as amended, and the Ted Stevens Olympic & Amateur Sports Act of 1998 regardless of its place of execution or performance, and the language of all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning and not strictly for or against any of the parties.

The singular shall include the plural, the plural shall include the singular, and any and all other genders.

(c) In the event of a conflict between the terms of this Agreement and the terms of the Bid, or any other document dated prior to the date of this Agreement, the terms of this Agreement shall control and be final and binding on all parties.

(d) Nothing contained herein shall be construed to place the parties in a relationship of partners, joint ventures or principal and agent, and neither party shall have the power to obligate nor bind the other party in any manner whatsoever, except as expressly stated herein. The parties further agree that no

representations shall be made by either party that would create an apparent employment, partnership, or joint venture.

Only one counterpart signed by the party, against which enforceability is sought, needs to be produced to evidence the existence of the Agreement.

LOC recognizes that irreparable injury could be suffered by USATF and/or the USOC in the event of the LOC's unauthorized use or misappropriation of USATF Trademarks and USOC Identifications, and therefore agrees that, notwithstanding any other sections in this Agreement, USATF and/or the USOC may seek from any court of competent jurisdiction, injunctive and other equitable relief as appropriate. If USATF and/or the USOC seeks any equitable remedies (including injunctive relief), it shall not be precluded or prevented from seeking remedies at law, nor shall either party be deemed to have made an election of remedies. LOC hereby irrevocably submits to the venue and jurisdiction of the courts of the State of Indiana, and the courts of the United States of America located in Indiana with respect to any equitable relief that is sought under this Agreement by USATF, and the courts of the State of Colorado, and the courts of the United

States of America located in Colorado, with respect to any equitable relief that is sought under this Agreement by the USOC.

whatsoever any information of any kind, nature, or description concerning any matters affecting or relating to the business of USATF, without regard as to whether any or all of the foregoing information would be deemed confidential, material, or important. The parties hereby stipulate that any breach of the terms of this section is a material breach of the Agreement.

21.0 Force Majeure.
