When awarded the opportunity to host the Championships, the successful Bidder will have sixty (60) days following the date the Championships are awarded (as noted below once this Statement of Agreement is executed by USATF) to negotiate in good faith any modifications it may request. Following said sixty (60) day period, the parties acknowledge that the Statement of Agreement, including the Bid Application and any and all attached Addendums, shall constitute the full and final contract between the parties. In the event an agreement cannot be reached within said sixty (60) day period, the successful Bidder shall either withdraw, in writing, its proposal for the Championships or it will be deemed to have agreed to all of the terms and conditions of this Statement of Agreement, including but not limited to the proposal and Addendums incorporated therein. (h) It agrees to perform the Agreement in a good and workmanlike manner consistent with commercially reasonable standards.

15.0 Cooperation with USATF Host Association. LOC agrees to provide USATF designated Host Association representatives with VIP credentials to the Championships and welcomes Host Association’s designated official representatives’ involvement in awards ceremonies as may be desired by USATF.

16.0 Arbitration. If any controversy or claim arising out of or relating to this Agreement cannot be amicably resolved, then said controversy or claim shall be settled by arbitration before a single arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association. If the parties cannot mutually agree on a venue, the parties agree that the arbitration proceedings shall be conducted in Marion County, Indianapolis, Indiana, and the parties hereby consent to personal jurisdiction and venue and waive any and all objections thereeto or to the convenience of any such forum. A judgment upon the award rendered by the arbitrators shall be binding, and may be entered in any court having jurisdiction thereof. The arbitration proceeding shall be conducted by an arbitrator who has experience in the business of sports. The prevailing party in any such proceeding shall be entitled to recover from the non-prevailing party reasonable arbitration fees and attorney fees. Nothing in this section shall prevent either party from seeking and obtaining injunctive relief in the same manner as it could have done if this section was not included in this Agreement.

17.0 Miscellaneous. The following miscellaneous provisions apply to this Agreement.
(a) This Agreement shall be governed, construed and interpreted in accordance with the laws of the State of Indiana (excluding its conflicts of law rules), and the Federal Trade Mark Act of 1946 as amended, and the Ted Stevens Olympic & Amateur Sports Act of 1998 regardless of its place of execution or performance, and the language of all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning and not strictly for or against any of the parties.

(b) The section headings and captions are supplied for convenience of reference only and shall be given no weight or value in connection with the construction of this Agreement, nor shall any weight or value be given to the relative position of any provisions hereof in determining such construction. The singular shall include the plural, the plural shall include the singular, and any and all other genders.

(c) In the event of a conflict between the terms of this Agreement and the terms of the Bid, or any other document dated prior to the date of this Agreement, the terms of this Agreement shall control and be final and binding on all parties.

(d) Nothing contained herein shall be construed to place the parties in a relationship of partners, joint venturers or principal and agent, and neither party shall have the power to obligate nor bind the other party in any manner whatsoever, except as expressly stated herein. The parties further agree that no representations shall be made by either party that would create an apparent employment, partnership, or joint venture.

(e) The waiver by either party of a breach of any of the provisions of the Agreement shall not operate or be construed as a waiver of any subsequent breach. Furthermore, no evidence of any waiver, modification, amendment or cancellation shall be offered or received in evidence in any proceeding, arbitration, or litigation between the parties arising out of or affecting the Agreement, or the rights or obligations of any party hereunder, unless such waiver, modification, amendment or cancellation is in writing, duly executed as aforesaid. The provisions of this section may not be waived except as herein set forth.

(f) Each and every section, term and/or provision of this Agreement shall be considered severable and if, for any reason, any section, term or provision hereof is determined by a court of competent jurisdiction to be invalid, contrary to, or in conflict with, any existing or future law, the invalidity shall not impair the operation or the effect of the remaining sections, terms or provisions of this Agreement, and the latter will continue to be given full force and effect.

(g) This Agreement, as defined in Section 1.0(a) above (specifically including all appendices attached hereto and thus incorporated herein), and any modifications agreed to in the Site Evaluation, is the entire agreement between LOC and USATF with respect to the Championships and supersedes all other agreements and understandings, both written and oral, with respect to the subject matter hereof.

(h) Except as expressly provided herein, this Agreement may not be modified, amended or changed without a written instrument signed by the duly authorized representatives of both USATF and LOC.

(i) Notwithstanding the provisions of Section 16 above, USATF shall be entitled to all reasonable attorneys’ fees and costs of collection incurred in connection with the collection of all amounts not paid when due hereunder shall be paid by the party from whom collection is sought.

(j) All remedies available to either party for breach of the Agreement are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

(k) The terms and conditions contained in the Agreement that by their sense and context are intended to survive the termination thereof by the parties hereunder shall so survive the termination of the Agreement.

(l) The Agreement may be executed in one or more counterparts, and transmitted electronically or via facsimile, each of which for all purposes shall be deemed to be an original but all of
which together shall constitute one and the same agreement. Only one counterpart signed by the party, against which enforceability is sought, needs to be produced to evidence the existence of the Agreement.

(m) LOC acknowledges that USATF Trademarks and USOC Identifications possess special, unique and extraordinary characteristics that make difficult the assessment of monetary damages that would be sustained as a result of LOC’s unauthorized use or misappropriation thereof. LOC recognizes that irreparable injury could be suffered by USATF and/or the USOC in the event of the LOC’s unauthorized use or misappropriation of USATF Trademarks and USOC Identifications, and therefore agrees that, notwithstanding any other sections in this Agreement, USATF and/or the USOC may seek from any court of competent jurisdiction, injunctive and other equitable relief as appropriate. If USATF and/or the USOC seeks injunctive or other equitable relief in the event of a breach or threatened breach of this Agreement by LOC involving an unauthorized use of any USATF Trademarks and/or USOC Identifications, LOC agrees that it shall not allege in any such proceeding that USATF’s or the USOC’s remedy at law is adequate. If USATF and/or the USOC seeks any equitable remedies (including injunctive relief), it shall not be precluded or prevented from seeking remedies at law, nor shall either party be deemed to have made an election of remedies. LOC hereby irrevocably submits to the venue and jurisdiction of the courts of the State of Indiana, and the courts of the United States of America located in Indiana with respect to any equitable relief that is sought under this Agreement by USATF, and the courts of the State of Colorado, and the courts of the United States of America located in Colorado, with respect to any equitable relief that is sought under this Agreement by the USOC.

(a) LOC recognizes that USATF Trademarks possess substantial goodwill and economic value to USATF, and expressly agrees not to use such USATF Trademarks without the prior written consent of a duly authorized representative of USATF.
(b) LOC shall only have the right to use USATF Designated Marks in connection with the terms contained in this Agreement; provided that any such use shall be of a high standard, appearance and quality and suited to the protection and enhancement of the USATF Designated Marks in general and the goodwill inherent therein; and provided, further that LOC shall submit any proposed uses to USATF for its prior written approval and, in the event USATF approves any such proposed use, shall not depart in any respect therefrom without the prior written consent of a duly authorized representative of USATF and shall not adopt any uses or designs rejected by USATF.

(d) LOC agrees not to apply for or obtain any state, federal, or foreign trademark or service mark registrations pertaining to or including any such USATF Trademarks.

20.0 Confidentiality. LOC will treat any and all information gained through the performance of its obligations hereunder for USATF in a confidential manner. LOC will not at any time, in any fashion, form, or manner, either directly or indirectly divulge, disclose, or communicate to any person, firm, or corporation in any manner whatsoever any information of any kind, nature, or description concerning any matters affecting or relating to the business of USATF, without regard as to whether any or all of the foregoing information would be deemed confidential, material, or important. The parties hereby stipulate that any breach of the terms of this section is a material breach of the Agreement.

21.0 Force Majeure. If either LOC or USATF is delayed or prevented from performing its obligations under this Agreement by an event or occurrence beyond its reasonable control such as, by way of example and not by way of limitation, cancellation or rescheduling of television/cable programming, acts of God, acts of terrorism, actions by governmental authority (whether valid or invalid), fires, floods, wind storms, explosions, riots, natural disasters, wars, sabotage or labor problems, the non-performing party shall immediately notify the other party of the force majeure event, and shall not be deemed in breach of this Agreement. Notice by the non-performing party shall detail the nature of the force majeure event, the anticipated duration of the said event, and the steps being taken to remedy the failure of performance.
