We cannot share the images because Activision is issuing copyright takedown notices to anyone directly hosting them. If you're curious about the cover art this is still currently available via Reddit and Imgur. This artwork doesn't confirm much other than the World War 2 setting. It's also very clear from these images that there will be as expected several editions of the game including cross-gen bundles.

One image in particular shows the contents of Call of Duty: Vanguard Ultimate Bundle. You can see three Operator Skins for Call of Duty: Warzone alongside unique weapons for each as well as XP boosters unique weapons and early access to the game's open beta. No date for the open beta is mentioned.

To access a vehicle hit the icon that looks like a car on the right side of the screen. This will bring up a list of vehicles and you can then double-click on one of them to make it spawn in. After that just walk into the car to take control of it and begin driving around. If you want to get rid of the car you can hit the car icon with the red X on it at the top of the menu to despawn it.
