Follow our step-by-step instructions and easily add you new credit to your Steam account.

Did you also know that a Steam card is fun to give? Give a Steam card to your friend, partner or family member. With a Steam Gift Card, they can shop in the Steam Store for their favourite game!We offer different Steam credits. We have the following Steam Gift Cards in our webshop for you

If your friends and family know that you love games, they might buy you a Steam gift card. These can be physical or virtual, but either way you can redeem them to spend on anything within the Steam catalog.

So, let's not delay; you want to buy some games, and we're going to show you how to redeem a Steam gift card or wallet code.

Once you add the Steam gift card or wallet code to your account, you can spend the funds immediately. During the Review and Purchase step at checkout, select My Steam Wallet as the payment method.

If you don't have enough wallet funds to cover the full transaction, you can select a secondary payment method.

Alternatively, if you have funds left over, you can use these on other purchases—you don't need to spend a gift card all at once.
