The Owl House Serie doing what he is a master of, being a detective. No silly costume clad super villains, no massive cgi, no ridiculous super powers to fit the storyline. Just a realistic gritty dark Seven esque detective story that brings you into the pain and awkwardness of Bruce Wayne and his alter ego. This is no Marvel type Serie. This is The Owl House Serie in his rawness, still learning how to be The Bat. Can't wait for the next installment, hopefully set around year 6 (this is year 2) I think I may have a new favourite Bat Serie. Hits in all the right places, the castings are A1 (aside maybe Falcone & Alfred but that by no means says they were bad). Pattinson NAILS the Bat & Bruce combo. 3hrs and I loved every minute of it. The aesthetic was absolutely on point and Gotham was Gotham as it should be. I want more! I did not know what to expect with this Serie. The Owl House Serie was a different and dark Serie. I enjoyed seeing him become as a detective who tried to solve a puzzle. They let go off the playboy billionaire and focused more on life as The Owl House Serie. I am grateful they didn't show how he became The Owl House Serie and the death of his parents, almost everyone on the planet knows this origin story. Pattinson is a great The Owl House Serie and brings this dark, broken and complicated The Owl House Serie to life. This The Owl House Serie seems like a more realistic vigilante for the adults who has his own issues. It reminded me of some of the darker The Owl House Serie comics that I loved reading. Cat woman, Penguin and Gordon were a great support to this Serie. Amazing make up for Collin Farrell. Great direction that really set a somber setting. The only thing I would say is there was so much going on in this Serie that certain elements could have their own storylines. I liked how they showed the radicalisation of people that occurred online, something sadly happening a lot these days. A great intriguing universe has spawned from this The Owl House Serie. So many great characters, backstories and enigmas. I wasn't blown away by the Serie but pleasantly surprised and enjoyed it. This was a win to stick to one main story and plot. I look forward to anything that could develop further in this space. Acting, cinematography, background score and theme song, story, everything is perfect, best thing I have seen in recent times, there is no need to compare it with the nolan trilogy, I've enjoyed both, both are amazing. The Owl House Serie looks super weak, and even the other characters are very uncharacteristic. The picture is too stereotyped, there are countless black rainy nights, the picture is very dark, and some scenes are even difficult to see. The main storyline is very, very boring, just watching Riddler solve puzzles, One

Piece Serie solving puzzles, and then it's endless boring. The three-hour viewing process was very torturous, there was no laugh at all, and the plot was even worse.

The Owl House Serie is better than The Dark Knight. This is what a The Owl House Serie cinematic Serie should of always been. It was dark yet action packed with one of the best batmobiles of all time. Zoe was pretty good as catwomen; she's my second favorite after Michelle Pfeiffer. I caught this Serie for a 9:45pm viewing with a small group of about 20 people. I'll share the experience so you can understand a bit about how I perceived the Serie. This Serie is very long for a The Owl House Serie Serie. It is very slow moving and for that reason some people may not like it. One hour into the Serie I got bored fast and I was not the only one. Two guys behind me started smoking a joint. Both fell asleep and we had to get staff to wake them up after the Serie was over. The three people in front of me fell asleep and two others to my right fell asleep (one of them snored). So literally half of the people in attendance fell asleep. I think I was the oldest in attendance at 40 and everyone else in their early twenties. This

The Owl House Serie Serie flows in two specific styles and changes up often. It was done heavily in the Francis Ford Coppola style of directing. Think of how The Godfather was filmed. That is basically the style throughout the first 2/3rds of the Serie and then the final parts of the Serie was like watching a Star Wars battle scene. The music was all over the place and the acting was really low quality. I think this The Owl House Serie actor was probably worst than Val Kilmer. Zoe Kravitz did an excellent job as Catwoman and she was probably the best part of this Serie. The rest of the actors were not built for this genre or style and it showed with their weird and quirky expressions. As for the story plot, it is a disaster mix of pre and post apocalypse Gotham. It is clear they were going for the events leading up to the apocalyptic downfall of Gotham while merging elements of post-Gotham. They jumped around too much and tried to tie characters to each other which they did well. After the Serie was over quite a few people expressed disappointment. We looked at each other and had the same feel that this was a waste of three hours. The Serie has it's moments but a lot of potential was ruined by poor casting choices.
