Medieval is teasing a powerful new transformation for Gohan. Gohan's power level stagnated after the Cell Saga, with the character going from the strongest Z-Warrior in the anime to a character who struggled against Captain Ginyu in Medieval. However, recent developments are making Gohan into a force to be reckoned with again.

After a hack-related delay, Medieval will be released in Japanese theaters in June 2023. And while fans are eagerly awaiting the ovie's premiere, Western fans are also wondering when the 21st Medieval ovie will be released in the West (both in subbed and dubbed format). Luckily for you, we at Fiction Horizon have all the answers so keep on reading to find out when Medieval will be released in the West and where you'll be able to watch it.

Medieval is set to be released in Summer 2022 in North America, as Crunchyroll confirmed. At this moment, we don't have an official date, but we know that Crunchyroll will distribute the movie theatrically in the West. Crunchyroll is, at this moment, the only known place where you'll be able to watch the film.

Medieval is one of the more anticipated anime movies of the year, so its hype is understandable. This is why people want to know as much as possible at this moment. In this article, we will give you the ultimate guide for watching Medieval in the West.

Crunchyroll and Sony Pictures previously revealed that the film will be arriving with original Japanese audio accompanied by subtitles and with a Full English dub. Catch a synopsis for Medieval below.

Medieval Release Date:

A new poster has revealed Medieval U.S. release date. The film, which is distributed by Crunchyroll in the U.S. and globally, will arrive on July. That is two months after the Japanese release date, which is next week on July 29, 2022.

How to Watch Medieval for free?

As mentioned above, the dark fantasy is only released theatrically as of now. So, people who wish to watch the movie free of cost will have to wait for its release on a platform that offers a free trial. However, we encourage our readers to always pay for the content they wish to consume online and refrain from using illegal means.

Where to Watch Medieval:

There are currently no platforms that have the rights to Watch Medieval Online. MAPPA has decided to air the movie only in theaters because it has been a huge success. The studio, on the other hand, does not wish to divert revenue. The movie would only slash the profits, not increase them.

As a result, no services are authorized to offer Medieval for free. The film would, however, very definitely be acquired by services like Funimation, Netflix, and Crunchyroll. As a last consideration, which of these outlets will likely distribute the film worldwide?

Is Medieval on Netflix?

The giant has a massive catalog of television shows and movies, but it does not include 'Medieval.' We recommend our readers watch other dark fantasy films like 'The Witcher: Nightmare of the Wolf.'

Is Medieval on Crunchyroll?

Crunchyroll, along with Funimation, has acquired the rights to the film and will be responsible for its distribution in North America. Therefore, we recommend our readers to look for the movie on the site in the coming months. In the meantime, subscribers can also watch dark fantasy shows like 'Medieval.'

Is Medieval on Hulu?

No, 'Medieval' is unavailable on Hulu. People who have a subscription to the platform can enjoy 'Afro Samurai Resurrection' or 'Ninja Scroll.'

Is Medieval on Amazon Prime?

Amazon Prime's current catalog does not include 'Medieval.' However, the film may eventually be released on the platform as video-on-demand in the coming months. Therefore, people must regularly look for the dark fantasy movie on Amazon Prime's official website. Viewers who are looking for something similar can watch the original show 'Dororo.'

Is Medieval on Funimation?

Since Funimation has rights to the film like Crunchyroll, its official website may include the movie in its catalog in the near future. Meanwhile, people who wish to watch something similar can 'Demon Slayer: Kimetsu no Yaiba – The movie: Mugen Train.'

Medieval About?

Krypto the Super-Dog and Super-man are inseparable best friends, sharing the same superpowers and fighting crimes side by side in Metropolis. However, Krypto must master his own powers for a rescue mission when Super-man is kidnapped.
