This generator is only used to finish a few offers; nothing will be given to you

A blue rectangular button with rounded corners and a white border. The text "Click Here!" is written in a bold, white, sans-serif font, centered on the button.

## About Mortal Kombat X Mod Apk

Here we provide the Apk and the OBB data file of the mortal Kombat X game. It's quite a popular action game in the industry. You get 130+ MK11 characters in the game, which is far more than any other action game. You can even Customize and personalize characters on your own.

Challenge other players from the world in the game to the tournament and prove you are the best. Indulge in epic boss fights to get most of the rewards and prizes. Clash with other players in battles and steal their loot and resources from them.

Mortal Kombat X has completed more than fifty million registered players worldwide and 4.2 start rating for the best action game for android.

Many of the players wanted mega menu mod, characters like X Tegra and much More in it, so we are introducing the **Mortal Kombat X Mod Apk** on this page. You get a lot of awesome hacks in this hacked version.

## MK11 CHARACTERS

The game features 130+ MK11 characters, which are great on their own in the game. The Scorpion, Jade, Sub-Zero are among the most popular and top-rated Characters in the game.

## FIGHT IN BRUTAL 3v3 COMBAT

You have to create your team and make it to the battleground with the other groups. Only the best team will win and get all the loot off the ground. Unlock new special attacks and powerful artifacts to win. Team Ronin, Team Nightmare, and Team Day of the Dead are the most powerful ones.

## COMPLETE DIFFICULT CHALLENGES

Each day you will get a lot of challenges and missions to accomplish in the game, which will help you gain more rewards. Start with daily Challenges, then go to the tournament to earn more loot and rewards.

## PERSONALIZE YOUR FIGHT GAME

Unlock your favorite characters and customize them according to your choice to get the best results. Please make your new style full of insulting Victory Taunts, and champion worthy War Banners, and much more on it.
